

Process to Host Family Life Sabbath

The Southern New England Conference Family Ministries Department is dedicated to helping our local churches provide ministry and support to the families of the local church and community. In an effort to give that support we are offering local churches the opportunity to host a Family Life Sabbath in their churches. This is a free event that will train local Family Life leaders to provide ministry to the families they find both in the church and the local community.

Since this event is a partnership between the conference and the local church there are responsibilities that each will fulfill.

What SNEC will provide:

1. Trainers
2. Material
3. Childcare
4. Monies for lunch

What the local church will provide:

1. 2 volunteers for the registration table
2. Someone who will be responsible for preparing the lunch
3. AV team for the day of the training

If your church is interested in hosting a Family Life Sabbath please follow these steps:

1. Contact the SNEC Family Life Department to see about available dates.
2. Vote the date and event at your next church board meeting.
3. Promote the event in your bulletin, website and newsletter with the material the SNEC Family Life Department will provide you.
